### The Secret Box

It is Sammy's birthday and he gets a special present from his grandma – The Secret Box!

The box can do magic. It can tell truth or lies.

Sammy misuses the power of the box and gets himself into big trouble.

Sammy shows us what can happen when lies start to take over our life.

We see how he is bullied by Sharon and how he struggles with truth and lies.

Luckily Sammy's Granny helps him and all ends happily.

In the play we can see what happens when someone tells lies. We also see what can happen when someone is bullied.
